

# BIRCH GROVE MONTESSORI AND UNIVERSITY PREP

Mobile Modular built a 10-classroom facility for a school while preserving the surrounding wetlands and providing for future expansion.

## THE CHALLENGE

Birch Grove Montessori and University Prep School in Southeast Michigan had 42 acres of rural space and needed a facility to accommodate their students and faculty.

## THE SOLUTION

Mobile Modular worked with the school board to provide a 10-classroom modular building. During the design phase, Mobile Modular utilized an existing standard modular classroom design, adding custom touches including extra windows and brick and steel siding for excellent curb appeal. Using the standard design saved the customer time and money.

**Customer Name:** Birch Grove Montessori

**Project Location:** Rochester, MI

**Building Type(s):** Modular Classrooms

**Job Type:** Sale

**Total Sq. Ft:** 10,780 sq. ft.
