

LEAPS 'N BOUNDS MODULAR PRESCHOOL

Mobile Modular offered a reasonable price, comprehensive plan, and structured timeline to help open Leaps 'N Bounds Preschool in Nashville.

THE CHALLENGE

In 2009, a preschool in Nashville was opened to replace a daycare facility that was closed by the State of Tennessee. In 2016, a Memphis developer approached the owners to build a new school in their hometown, and they chose modular construction due to time and price.

Customer Name: Leaps 'N Bounds

Project Location: Nashville, TN

Building Type(s): Modular Classrooms

Job Type: Sale

Total Sq. Ft.: 6,000 sq. ft.

THE SOLUTION

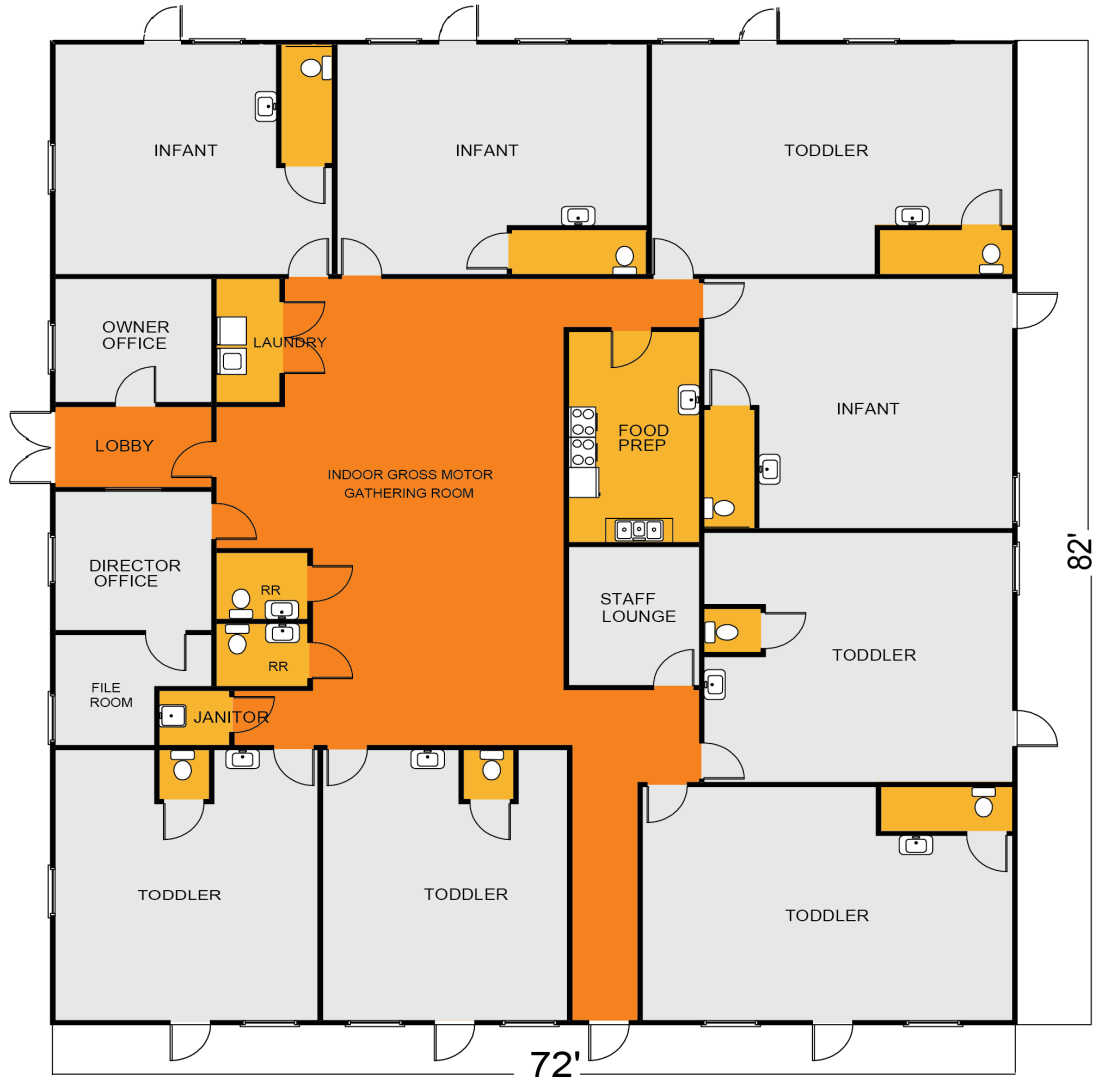

Our team was able to offer a comprehensive plan, and a committed price for the complete structure, to keep the project on schedule and within budget. The building was constructed with function and aesthetics in mind and utilized all the space for an efficient facility. The facility consists of 6 modular units with restrooms and consists of 6000 total square feet; installed permanently over a crawl space.
