

OIL NUT BAY RESORT LUXURY VILLAS

Mobile Modular provided permanent modular luxury resort villas to Oil Nut Bay, one of the most prestigious resorts in the world.

THE CHALLENGE

The challenge presented to Mobile Modular was to construct four private villas for the resort to rent out to future guests. Utilizing Mobile Modular's experience in remote logistics and island construction in combination with the benefits associated with modular construction, resulted in a successful project.

THE SOLUTION

Mobile Modular was involved at every step of the process. We were hired to handle the design, engineering, manufacturing, transportation from the factory to the port, and installation of modules on site.
