

PEACEFUL VALLEY DONKEY RESCUE

Mobile Modular built a new office/gift shop for the world's largest donkey rescue organization.

THE CHALLENGE

The world's leading donkey rescue organization, Peaceful Valley Donkey Rescue, was seeing increasing growth at their San Angelo, TX location. The owners of Peaceful Valley were in the market for a cost-effective and time-sensitive modular solution to help sustain their growing size.

Mobile Modular, as a local dealer, was approached and awarded the contract because of our ability to meet the client's needs and requirements. Mobile Modular's cost-effective quote of 3 double-wide units offered a floorplan of four offices, a conference room, and a gift shop area for visitors.
