

PHI AVIATION OFFICE BUILDING

Mobile Modular provided PHI Aviation, a worldwide helicopter service, and a new temporary stock office.

THE CHALLENGE

Backed by a fleet of more than 200 helicopters and one of the most experienced teams in the industry, PHI Aviation helicopter operations stretch from North America to the offshore waters of Latin America, Africa, Australia, New Zealand, Southeast Asia, and the Middle East. Their Houma, LA location was experiencing rapid growth, which required them to hire additional employees. Due to the expansion of their operations, the current limited office space could not accommodate their team.

Customer Name: Phi Aviation

Project Location: Houma, LA

Building Type(s): Modular Office

Job Type: Lease

Total Sq. Ft.: 4,320 sq. ft.

THE SOLUTION

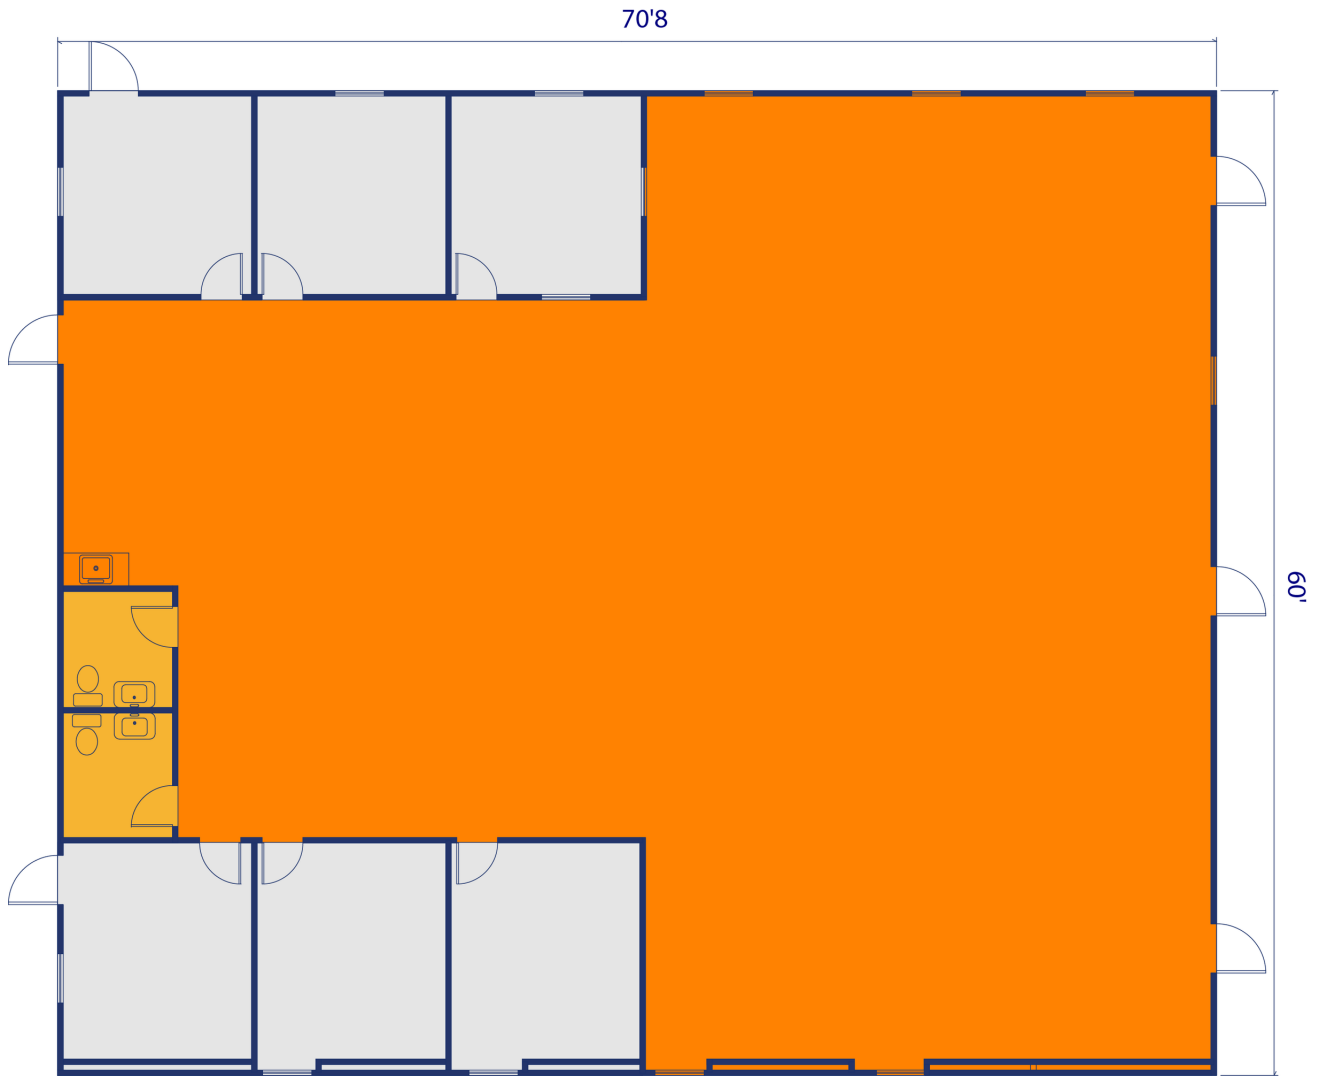

Mobile Modular collaborated with PHI Aviation to swiftly deliver a 6-module V-Plex office solution, comprising 3 offices, 2 restrooms, a reception area, administrative space, and a waiting area. They efficiently prepared the site, ensuring a quick installation with minimal disruption to PHI Aviation's operations. This cost-effective project provided additional space and convenience for PHI Aviation within a short timeframe.
