

# SOUTH WINDSOR PUBLIC SCHOOLS

Mobile Modular provided classroom space to South Windsor Public Schools to help with its increased enrollment.

## THE CHALLENGE

South Windsor Public Schools needed a modular supplier to provide classroom space due to increased enrollment. Mobile Modular was able to utilize a cooperative purchasing agreement to supply South Windsor with the classroom space they needed within a quick time frame.

## THE SOLUTION

We provided them with an existing 4 classroom building that would fit their requirements as well as save even more time. The temporary building was finished with a connecting corridor from the main buildings as well as deck steps and ramps.
