

## ADVANCING CALIFORNIA'S LEARNING ENVIRONMENTS

With Turnkey, Portable/Relocatable  
Classroom Solutions

## Comprehensive Portable/Relocatable Classroom Solutions for Today's Emerging Educational Challenges.

**Mobile Modular provides the portable/relocatable classroom learning environments that today's school districts depend on to meet the demanding challenges of modern education.**

School districts in California are facing more challenges than ever before. Limited budgets, overcrowding, aging infrastructure, fluctuating enrollment and faculty fatigue are just some of the challenges that California school systems are tasked with solving.

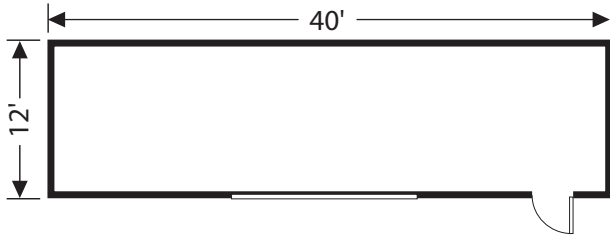

As a leader in the portable/relocatable classroom building industry, we take pride in our end-to-end project solutions. With over 40 years of supporting school districts with exceptional service and expertise, part of our core mission is to provide an outstanding temporary learning environment for your students that you can be proud of in your community.

Whether your needs are driven by enrollment changes, social distancing, extra campus space, modernization projects, or budget restrictions, we will partner with you every step of the way to ensure your project runs smoothly and efficiently.
