Relocatable Classroom Solutions For Today's Emerging Educational Challenges.

Mobile Modular provides the modular learning environments that today's school districts depend upon to master the demanding challenges of modern education.

School districts around the nation are challenged today as never before.

Limited budgets, escalating class sizes, fluctuating enrollment and faculty fatigue all combine to make the task of modern education a daunting, arduous enterprise—an endless quest to balance the constraints of fixed resources with the growing demands of academic responsibility.

Mobile Modular offers America's largest and best maintained fleet of modular classroom solutions, available to school districts today for lease, rent or purchase and backed by a team of experts who truly understand the needs of today's educators. Durable, full-featured to fit your exact specifications, our modular building systems provide high performance workspaces for schools eager to make the most of their land and capital resources.

A wide variety of floorplans and customizable options ensure that your relocatable learning environments not only meet or exceed all applicable state building codes, but also satisfy demanding educational requirements.

Mobile Modular offers the largest fleet of portable classrooms and educational buildings in today's market and deep experience in the challenges of school space and capital resource manageability. When schools need cost effective, dependable and exceptionally well-maintained modular classrooms, our team of professionals are ready with fast delivery and reliable installation.

Better Classrooms Deliver Better Performance.

At Mobile Modular, we deliver portable building solutions to fit the needs of today's school district. From classrooms to cafeterias, administrative offices to weight rooms, our fleet of sturdy educational workspaces provides ready answers when schools need them most.

"Please thank all of the people (at Mobile Modulars) for an exceptionally outstanding job in delivering and installing in such a timely manner."
